PROFESSIONAL SUMMARY

Hi, it's Tanzim, Front-End WordPress Developer with strong SEO expertise. I build fast, responsive, and accessible websites from Figma using HTML5, CSS3, JavaScript, and modern frameworks like Webflow. Skilled in Semantic SEO, I create structured, search-optimised content that drives visibility and aligns with user intent. I bridge design and functionality to deliver seamless, high-performing web experiences.

Skills

Front-end Development: HTML5, CSS3, JavaScript (ES6+), jQuery, vue.js, TailwindCSS, Bootstrap, Elementor Expert
Backend / CMS: WordPress, Webflow, WooCommerce, PHP (basic/moderate), ACF, Node js, Express js, Payment integration
Web Design: UI Design, Landing Page Design, Website Design
SEO: Semantic On-Page SEO, Topical Authority Building, Holistic SEO Approach
Shopify: Shopify Product Research and Listing, Store Management and Customer Support Assistant.
